EXPERIENCE

FREELANCE INTERACTIVE DEVELOPMENT

August 2011 - Present

Portland, Oregon

As a freelance developer, I value the knowledge gained when working on new projects and also the relationships I develop simultaneously. I'm always looking more opportunities to continue learning and to meet new people.

Client List: Jason Glaspey, Paleo Plan, Primal Blueprint, Living Low Carb Meal Plan, Lucid Design, Opus Creative, R2C Group, Amon Creations, Mullett Construction. I also have several student/graduate portfolios under my belt.

LUCID DESIGN

March 2013 - Present

Portland, Oregon

I am the go-to Developer at Lucid Design. Whenever help is needed with an interactive project, I am their girl. Currently, I build, consult and also recently developed their new website.

R/WEST

January 2012 - September 2012

Portland, Oregon

As an Interactive Developer, my time at R/West was spent building websites in full, developing Facebook tabs, emails and various other interactive tasks.

OPUS CREATIVE

March 2010 - December 2011

Portland, Oregon

I was the User Interface Developer at Opus Creative. There, I worked on the front-end portion of websites, built emails, and maintained websites.

EDUCATION

THE ART INSTITUTE OF PORTLAND

October 2007 - August 2011

Web Design and Interactive Media Major.
